Dear Parents,

Welcome to Camp Kaylie Kids Boys!

We are enthusiastically looking forward to what is sure to be an amazing camp experience. In this "Info packet" you will find various forms of information that will help you and your child prepare for an incredible 3 day camp experience.

The online forms are important as they contain crucial information to make this program a success. **Please fill out these forms by April 16th.**

If the camper medical form cannot be completed until a later date, please make sure to fill out the remaining forms by April 16th.

We of course are here throughout this process, so please feel free to call the office at 718-686-3261 or email us at info@campkaylie.org with any questions that you may have.

Thank you again for entrusting your children to us. We look forward to a successful Kaylie Kids summer experience at Camp Kaylie.

-The Camp Kaylie Staff

Canteen

As we are a nut free camp, we have many restrictions with regard to what is allowed to be eaten in camp. We have many campers with severe allergies and food that is sent cannot contain any trace of nut products. Every camper will have an opportunity visit the Kaylie canteen which has plenty of food/nosh that your children will enjoy. As part of the Kaylie Kids tuition we are giving each camper a \$10 credit to the canteen. If not used the money does not get refunded.

Personal Items/Valuables

Please do not send any expensive personal effects with your child to camp such as watches, electronic devices, or other valuable items. They can easily be misplaced or lost. The camp will not assume any responsibility for wear and tear, damage to, or loss of personal items. To ensure that campers spend their time outdoors and are not distracted from camp activities all Ipad/computers/DVD players or similar devices are not to be brought to camp. Music devices are permitted but only devices without internet capability. No extra money is needed to be sent with your child.

Medical

Your child's health is our number one priority at Camp Kaylie. It is mandatory that your child be examined by a physician before he/she arrives in camp. In order to finalize enrollment into the Kaylie Kids program the following forms must be submitted:

Insurance Form, Physician Form w/Immunization Record, Meningitis Form, and Parent Questionnaire.

Camp Kaylie requires all campers to be fully immunized as per New York State Department of Health guidelines.

Upon arrival to camp all campers are checked for lice. Any child that is found with lice will be treated in camp by a professional lice removal company. The fee is \$250 which will be directly billed to the parents. You may, if you wish, take your child home to be treated.

All medication must come in pre-packaged doses. All medications that a camper is taking must be disclosed on the health history area of the confidential camper form. All medications will be stored in the infirmary with the exception of asthma inhalers per doctor's orders. The camp Nurse/Doctor are the only personnel to access and distribute medication.

Camp T- Shirts / Kaylie Apparel

All Kaylie Kids will receive one camp T-shirt. Additional Kaylie apparel will be available for purchase.

What to pack

We believe as you do that we have an appropriate dress code that will enable your child to dress comfortably in camp. For boys long pants are required for davening (break-away pants are acceptable). Tzitzis, of course, must be worn at all times. For girls, skirts/dresses must reach below the knee. Shirt sleeves should cover the elbow. Please do not pack articles of clothing that do not abide by these guidelines. **Camp Kaylie will provide all linen and blankets/pillows for all Kaylie Kids campers.**

Luggage

All luggage will be placed under the bus or on the camp van.

Birthday during Kaylie Kids

If your child is having their birthday in camp please call or email the camp office so we can make the proper arrangements for a cake.
