Dear Parents,

Welcome to Camp Kaylie Masmidim!

The program promises to be an exciting and enjoyable learning experience set in the incredible atmosphere of Camp Kaylie. We will have serious learning, dynamic regular and guest shiurim, plenty of positive energy and opportunities to enjoy the state of the art Kaylie athletic facilities with organized sports in the afternoon. By joining Kaylie Masmidim (KayKo), your son has declared his commitment to a summer of growth in תורה and יראת שמים, while building bonds with an outstanding group of fellow מתמידים, serving as role models for the entire camp.

In this "Info Form" you will find information that will help you prepare for an incredible summer experience. The online forms are important as they contain crucial information to make this summer a success.

Please fill out these forms by April 16th. If the camper medical form cannot be filled out until a later date, please make sure to fill out the remaining online forms by April 16th.

We, of course, are here throughout this process, so please feel free to call the office at 718-686-3261 or email us at info@campkaylie.org with any questions you may have. If you would like to contact Rabbi Lebowitz, the Masmidim program Director, for any reason, he can be contacted by his email is bknwrabbi@gmail.com or cell 516-668-1839.

Thank you again for entrusting your children to us. We look forward to another successful summer at Camp Kaylie

Any parent who would like to drop off a child at camp on opening day must bring their child directly to the Camp Office by 11:30 AM.

Packages & Food/Canteen

We strongly discourage the sending of food packages to your children. Storage of food in cabins is extremely problematic since it attracts animals etc. Rest assured that the children receive ample amounts of nourishing food and baked goods. As we are a nut free camp, we have many restrictions with regard to what is allowed to be eaten in camp. We have many campers with severe allergies and therefore any food that is sent or brought up on visiting day cannot contain any trace of nut- products. Any package that is sent to your camper will be opened by the camp staff and any nut products will be removed. Make sure to list "masmidim program" on the package. The Kaylie canteen, as well, has plenty of food/nosh that your children will enjoy.

We are no longer able to exert the manpower to deal with high volumes of packages. At the same time, we do not wish to completely ban families from sending packages to campers.

We are therefore asking that campers should not be sent more than one package per week.

If we notice that a camper is receiving more than this allotment, we will not deliver the additional packages.

We are requesting that you do not send any packages before camp begins. Additionally, please do not send anything for at least the first 4 days of camp. This will assist in properly acclimating the campers into the camp environment and make for a smoother transition. As a reminder, ALL packages sent or delivered to camp will be directed to the Main Office and opened. Any food items containing nuts will be removed and not returned.

Water Orders

Camp Kaylie will provide bottled water delivered directly to the bunk on a weekly basis if pre-ordered. Please fill out the online water order form and submit it if you would like to participate in this service.(Your credit card will be charged.)

Personal items/Valuables

Please do not send any expensive personal effects with your child to camp such as watches, electronic devices, or other valuable items. They can easily be misplaced or lost. The camp will not assume any responsibility for “wear and tear”, damage to, or loss of personal items. All Ipads/computers/DVD players or similar devices are not to be brought to camp. Music devices are permitted but only devices without internet capability.

Medical

Your child's health is our number one priority at Camp Kaylie. It is mandatory that your child be examined by a physician before he/she arrives in camp. No camper will be permitted to board the bus or receive a bunk assignment without having submitted the following forms: Insurance Form, Physician Form w/Immunization Record, Meningitis Form, and Parent Questionnaire.

Camp Kaylie requires all campers to be fully immunized as per New York State Department of Health guidelines.

Upon arrival in camp all campers are checked for lice. Any child that is found with lice will be treated in camp by a professional lice removal company. The fee will be directly billed to the parents. You may, if you wish, take your child home to be treated.

All medication must come in pre-packaged doses. Camp Kaylie has chosen an outside provider, JDrugs, to provide medication to our campers. A JDrugs Form is available online. You may, of course, have your own pharmacy prepackage your medications. All medications that a camper is taking must be disclosed on the health history area of the Confidential Camper Form. All medications will be stored in the infirmary with the exception of asthma inhalers per Doctor's orders. The camp Nurse/Doctor are the only personnel that may access and distribute medication. If a change of medication is needed a Doctor's order is required.

Baggage / CTD Trucking

Arrangements have been made with CTD trucking to provide baggage transportation for all campers living within the greater NY and NJ metropolitan areas. **Please register your children's luggage at <https://kaylie.camptrunkdelivery.com>**. If you are unable to use their online website you can contact them at (866) 531-9918. All pick up dates and drop off dates can be found on their web site or you can go to Camp Kaylie.org and click on the CTD trucking link. We strongly recommend that an additional form of identification be placed on your child's luggage. No luggage will be allowed to be placed under the bus without specific permission from the camp director.

Birthday in Camp

If your child is having his birthday in camp, please call or email the camp office so we can arrange for a cake for the bunk.
